WAKAF MECHANISM OF THE FUND

WAKAF MECHANISM OF THE FUND	
Wakaf Institution	Yayasan Waqaf Malaysia (YWM) The Manager has appointed Yayasan Waqaf Malaysia (YWM) as the administrator of the wakaf contribution, based on the fulfilment of the below-mentioned criteria and considering YWM was established as a result of the efforts undertaken by 13 State Islamic Religious Councils (SIRC) and Department of Wakaf, Zakat and Hajj of the Prime Minister's Department ("JAWHAR") as Malaysia's national wakaf entity. Currently, all 14 SIRC's representatives are the member of YWM's Board trustees, as YWM is the appointed mutawalli (manager or custodian of wakaf) by eight (8) SIRC's in Malaysia.
Selection of Wakaf Institution	We will select a wakaf institution as a recipient of the wakaf contribution based on the following criteria: (a) the wakaf institution shall be authorised by the Federal or State Islamic religious council to act as a mutawalli (wakaf administrator) or collection agent for wakaf purposes; (b) the wakaf institution shall have a proper governance structure and framework; (c) the wakaf institution shall have an audited annual financial statement; and (d) the wakaf institution shall have a published annual report on its wakaf distribution and/or utilisation.

Replacement of Wakaf Institution	If the appointed wakaf institution no longer meets the above criteria, we will take immediate action to remove and replace the wakaf institution with another wakaf institution that meets the criteria. In addition, we may appoint more than one (1) wakaf institution as a recipient of the wakaf contribution of the Fund, for example, in the event we deem it to be more efficient to have more than one (1) wakaf institution receiving the wakaf distribution. The Unit Holders, in subscribing to the Fund, agree to delegate the right to select or remove the wakaf recipient to the Manager, subject to the approval from the Shariah Adviser.
Wakaf Arrangement	YWM is responsible for assisting, supporting and providing advisory services to SIRC on matters related to the development and reengineering of wakaf assets and properties through traditional and contemporary Shariah-compliant structures and instruments  The flowchart illustrates the Wakaf Arrangement process. It is divided into three main sections: Investor, Management of the Fund, and Management and Distribution of Wakaf Assets. Investor Section: Includes 'Investors' and 'Invest in units in BSN Dana Wakaf Al-Ikhlas'. It shows a 'Fund's Semi-Annual & Annual Report' being sent to 'Investors' and 'Reports on distribution of Wakaf assets' being sent to 'Management of the Fund'. Management of the Fund Section: Includes 'PBSN', 'BSN Dana Wakaf Al-Ikhlas', 'Shariah Compliant Investments', 'Income Distribution to Unit Holders', and '50% (Wakaf Contribution)'. It also shows a 'Trustee' and 'Shariah Adviser' providing input to the fund management. Management and Distribution of Wakaf Assets Section: Includes 'Yayasan Waqaf Malaysia', 'Distribution of Wakaf assets to identified projects', and a list of sectors: 'Healthcare', 'Education', 'Halal', 'Entrepreneurship', 'Community Empowerment', 'Green Technology', and 'Disaster Aids'. Key interactions include a 'Collaboration Agreement' between PBSN and Yayasan Waqaf Malaysia, a 'Wakaf Report' from the fund management to Yayasan Waqaf Malaysia, and 'Annual Income Distribution, if any, to be reinvested as additional Units*' from the fund management back to the investors. An administrative fee at the rate of 2% of the amount of Wakaf Contribution deposited each time with YWM is payable to YWM for administering and distributing the Wakaf Asset.
General Guideline on Disbursement of Wakaf Asset to Identified Wakaf Projects	The Wakaf Asset shall be distributed by the Wakaf Institution to any identified wakaf projects in the following sectors: - Healthcare; - Education; - Halal; - Community empowerment; - Green technology; - Disaster Aids; - Entrepreneurship; and - Any other project in any other sector which may be determined by the Manager, upon consultation with YWM from time to time that is deemed benefit to the community or <i>ummah</i>.

	Generally, Wakaf Asset disbursement projects under sectors mentioned above shall cover various layers of services or areas of those sectors wherever applicable. The Wakaf Asset shall be converted into tangible, movable or non-movable assets. In the case that the disbursement involves multiple cost elements such as labours and raw materials, the total costs involved shall be taken as the project costs. Investors may obtain information relating to YWM and the progress of the wakaf initiatives from www.ywm.gov.my and our website at www.pbsn.com.my

WE DO NOT ACCEPT CASH DEPOSIT, CASH PAYMENT AND PAYMENT THROUGH THE CASH DEPOSIT MACHINE AND PAYMENT MADE BY A THIRD PARTY.

YOU SHOULD NOT MAKE PAYMENT IN CASH TO A UNIT TRUST CONSULTANT OR ISSUE A CHEQUE IN THE NAME OF AN UNIT TRUST CONSULTANT.

VALUATION AND EXITING FROM INVESTMENT

VALUATION AND EXITING FROM INVESTMENT	
Valuation	The Manager will ensure that all assets of the Fund will be valued at fair value at the close of each business day and at all times be in compliance with the Guidelines and all relevant laws. The valuation point of the Fund is at 5.00 p.m. on every Business Day. The valuations are publishing in the Manager's web address at www.pbsn.com.my on daily basis.

Cooling-off Policy	Investors who are qualified for the cooling-off right may obtain a refund on their investment in the Fund if they so requests within the cooling-off period, i.e., the period of six (6) Business Days commencing from the date of receipt of the application for units by the Manager. The cooling-off right is only given to an investor who is investing for the first time in any of the unit trust funds managed by the Manager. A staff of the Manager or a person registered with a body approved by the SC to deal in unit trusts is not entitled to a cooling-off right.
Redeeming an Investment	Unit holders may redeem their investments in the Fund at any point in time by completing the prescribed redemption request form and returning it to the Manager on any business day; this form is available at the office of the Manager or any authorised distributors/agents of the Manager. For details of the distributors channels, please refer to the Chapter 9 <i>Additional Information</i> of the Prospectus. Any redemption request received or deemed to have been received by the Manager on/or before 4.00 p.m. ("the cut-off time"), the redemption price would be the NAV per Unit at the end of the Business Day on which the redemption request is received by the Manager. Any redemption request received or deemed to have been received after this cut-off time would be considered as having been received on the next Business Day and would be based on the NAV per Unit on the next Business Day. In a case where the Units are standing in the names of more than one unit holder, where mode of holding is specified as "Joint Application", all joint holders will have to sign the redemption requests. However, in cases of holding specified as "Either Applicant to sign", any one of the unit holders will have the power to make redemption requests, without it being necessary for all the Unit holders to sign. In all cases, the first-named unit holder will receive the proceeds of the redemption.

Basis of Calculation and Assumptions Made in Calculating Returns

Total Return, $R = (1 + \text{Price Return}) * (1 + \text{Income Return}) - 1$

Annualised Total Return $= (1 + R)^{1/x} - 1$

Average Return = Number of Returns / Sum of Returns

Where,

NAV_t = NAV after income distributions and/or unit splits at the end of the period

NAV_{t-1} = NAV after income distributions and/or unit splits at the beginning of the period

x = number of years of the period

Portfolio Turnover Ratio			
Financial Period/Year	30.06.2025	31.12.2024	31.12.2023
Portfolio Turnover (times)	0.50	1.36	1.50

The decrease in Portfolio Turnover Ratio in financial period 30 June 2025 was mainly due to decrease in trading activities as compared in year 2024.
